RE: Friends of the Earth v. The Public Service Commission of South Carolina, South Carolina Electric & Gas Company and the South Carolina Office of Regulatory Staff.
Our File No. 10.11.

Dear Mr. Shearouse:

Our firm represents the Respondent, South Carolina Electric & Gas Company ("SCE&G") in the above-entitled matter, which involves an appeal by Friends of the Earth ("FOE") of the Public Service Commission of South Carolina ("PSC") Order No. 2009-104(A). FOE served its Notice of Appeal upon SCE&G and all parties of record in the underlying matter by mail dated May 22, 2009.

To date, counsel for SCE&G has received no correspondence from FOE in compliance with SCACR Rule 207(b)(1), which requires an Appellant, within ten (10) days of service of its Notice of Appeal to request in writing a transcript of the proceeding of the administrative body that is the subject of the appeal. Counsel for SCE&G has not been contacted by FOE regarding any request for extension of this deadline or for consent to request less than the entire transcript of the proceeding. See SCACR Rule 207(b)(1).

As a result, we are uncertain as to the status or timing of the appeal and would ask you to determine if the appeal is still viable at this time. Based upon the information available to us, we believe the appeal should be dismissed for failure to comply with the applicable rules.

Thank you for your attention to this matter.

Very truly yours,

Belton T. Zeigler
